Coaches' Training

Date: Tuesday, October 23rd

Time: 6:00-9:00 p.m.

Where: MBUSD District Office Board Room

325 S. Peck Avenue, Manhattan Beach 90266

All parents and community members potentially interested in coaching an OM team are welcome and encouraged to attend.

Odyssey of the Mind is an international educational program that provides creative problem solving opportunities for students from kindergarten through college. Kids apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics. They then bring their solutions to competition on the local, state, and world level. Thousands of teams throughout the U.S. and from about 25 other countries participate in the program.

Odyssey of the Mind is all about creativity. Kids are rewarded more for how they apply their knowledge, skills, and talents, not for coming up with the right answer. In fact, in Odyssey of the Mind problems, there isn't one right answer—ever. Learn all about what it takes to be a successful OM Coach from Bob Anderson, our local L.A. Basin representative.

Please RSVP to Shelley Benke in Educational Services at sbenke@mbusd.org so that we can plan for the correct number of participants. Thank you!
