Time: 9-10:30am

April is Autism Awareness Month

Presented by Sonia Dickson-Bracks

Supporting your Child/ Teen in Navigating the Social Scene,
At school, play dates, group activities, team sports and group projects. We will discuss challenges and the supports that will make a difference in your child/teen's life.

Come join us for an interactive discussion and idea sharing on exploring ways to effectively set your child/teen up for success!

Please note during any group discussion it's difficult to address individual / specific needs, however the goal is for you to take away tips and tools that you will be able to apply.
