COORDINATING COUNCIL

Bringing our community together *and* supporting our youth

What is the Manhattan Beach Coordinating Council?:

The Manhattan Beach Coordinating Council (MBCC) has been recognizing outstanding students in our community for decades. Through generous corporate and private sponsors, the MBCC is also able to provide thousands of dollars worth of scholarships to Mira Costa High School seniors. Unique in its mission, “Bringing our community together and supporting our youth”, the MBCC provides a forum for families, government officials, educators, local businesses and private organizations to network and share information about what is happening in Manhattan Beach and how we can work together to maintain our “pearl by the sea”.

We are proud of our outstanding students and congratulate each of them on their accomplishments!

Luncheon Information for Parents:

Each month our luncheon is “sponsored” by a corporate or private donor. The sponsorship covers the lunch cost of the honored student and the teacher presenter only. Parents, family members and friends of the honored student may register and pay for their luncheon online via PayPal at: <http://www.mbcoordinatingcouncil.com> and click on “Luncheon Reservations” or, after registering, payment can be made at the door by cash or check. Cost of the luncheon is \$35.

Interested in Attending a Luncheon?:

The 2015-2016 School Year luncheons take place at The Belamar Hotel and are scheduled for November 19, January 21, March 17, April 21 and May 19 (scholarship presentations).
