

4th Grade GATE RE-TESTING

**Wednesday, May 6
Room 27
Pacific Elementary School
2:00 pm**

The entire test will be completed in each session.
The test takes 50 minutes from start to finish.

Please take these points into consideration:

- 1- The score is scaled by age. That means, as the children get older fewer questions can be missed in order to qualify. The children have to make at least a 130 on the OLSAT in order to be considered for the GATE program.
 - 2- If this is the second time taking the OLSAT, your child will not be eligible to take the test again until the fall of sixth grade.
 - 3- This will be the only opportunity your child will have to retake this test. The testing session in the fall will only be for students that move to MBUSD over the summer.
 - 4- In order to take the test, a parent must fill out a permission slip with the child's EXACT age on it.**
 - 5- The permission slips are available online on the main MBUSD page, click onto the GATE page.**
- **Students that are in 5th grade can retake the OLSAT in the fall at MBMS.**
 - **Third graders that want to retake the test, must wait until the 2007 Spring re-testing session.**
