## Substance Abuse Prevention and Education Task Force

**Goal:** To reduce the number of students using, buying, and selling alcohol and drugs by making it harder to do so; by identifying those who do; by directing students and their families toward education, help and recovery; by creating a campus culture at all school sites which advocates and supports healthy lifestyle choices; and by involving the community in our ongoing efforts.

### Objective 1: Task Force Recommendations to the MBUSD Board of Trustees

	Action Steps	Responsibility
<b>Prevention/Education</b>		
1.1	Designate one person/phone number at each school site (grades 6-12) as first contact for students, community health care providers, parents, faculty and staff with substance abuse issues or questions and communicate this contact community-wide.	Dr. Gwen Gross
1.2	Augment and fund peer programs that emphasize education and prevention; formalize faculty advisor position; require “non-use agreements” for student mentors. <ul style="list-style-type: none"> <li>• Peer Support Program</li> <li>• PACE <ul style="list-style-type: none"> <li>- Extend outreach to MBMS</li> </ul> </li> <li>• Peer Mentoring</li> <li>• Peer Education</li> <li>• Student-driven clubs (i.e., Teens Against Tobacco)</li> </ul>	Dr. Gwen Gross
1.3	Extend relevant curriculum. <ul style="list-style-type: none"> <li>• Every student taught physical/emotional risks of abused substances</li> <li>• Expand coping strategy curriculum (i.e., Adolescent Coping Education Skills – ACES – to high school).</li> </ul>	Administration/ Faculty & Staff
1.4	Support a Voluntary Drug Testing Program consistent with current best practice and effective programs.	MBUSD Board/ Dr. Gwen Gross
1.5	Investigate the implementation of software applications that enable parents/guardians to access and track their students’ academic performance records.	
<b>Intervention</b>		
1.6	Pursue the creation of an on-site confidential drop-in support group led by a professional.	Administration/ Faculty & Staff
<b>Enforcement</b>		
1.7	Ensure enforcement of existing policies regarding substance abuse, consistent with California Education Code, at all school sites.	Administration/ Faculty & Staff
1.8	Recommend use of periodic K-9 searches on campus, including classrooms.	MBUSD Board/ Dr. Gwen Gross
1.9	Revise Board Policy to include substance possession and use in employee “mandatory reporting” guidelines.	MBUSD Board/ Dr. Gwen Gross
<b>Ongoing</b>		
1.10	Convene ongoing Substance Abuse Task Force with all stakeholders represented (MCHS, MBMS, Hermosa Valley).	Dr. Gwen Gross

Creative funding solutions for the above recommendations may be found in partnership with PT(S)As, Manhattan Beach Education Foundation, Hermosa Beach Education Foundation, Manhattan Beach Athletic Foundation, Beach Cities Health District, South Bay Coalition, community and service organizations, and local, state and federal grants. We implore the Board to explore these options, as well as forging connections with the Manhattan and Hermosa Beach City Councils.
