

State of California

EDUCATION CODE

Section 46600

46600. (a) (1) The governing boards of two or more school districts may enter into an agreement, for a term not to exceed five school years, for the interdistrict attendance of pupils who are residents of the school districts. The agreement may provide for the admission to a school district other than the school district of residence of a pupil who requests a permit to attend a school district of proposed enrollment that is a party to the agreement and that maintains schools and classes in transitional kindergarten, kindergarten, or any of grades 1 to 12, inclusive, to which the pupil requests admission. Once a pupil in transitional kindergarten, kindergarten, or any of grades 1 to 12, inclusive, is enrolled in a school pursuant to this chapter, the pupil shall not have to reapply for an interdistrict transfer, and the governing board of the school district of enrollment shall allow the pupil to continue to attend the school in which the pupil is enrolled, except as specified in paragraphs (2) and (4).

(2) The agreement shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied. The agreement may contain standards for reapplication agreed to by the school district of residence and the school district of enrollment that differ from the requirements prescribed by paragraph (1). The agreement may stipulate terms and conditions established by the school district of residence and the school district of enrollment under which the permit may be revoked.

(3) The designee of the superintendent of the school district of residence shall issue an individual permit verifying the school district's approval, pursuant to policies of the governing board of the school district and terms of the agreement for the transfer. A permit shall be valid upon concurring endorsement by the designee of the governing board of the school district of proposed enrollment. The stipulation of the terms and conditions under which the permit may be revoked is the responsibility of the school district of enrollment.

(4) Notwithstanding paragraph (2), a school district of residence or school district of enrollment shall not rescind existing transfer permits for pupils after June 30 following the completion of grade 10, or for pupils in grade 11 or 12.

(b) A pupil who has been determined by personnel of either the school district of residence or the school district of proposed enrollment to have been the victim of an act of bullying, as defined in subdivision (r) of Section 48900, committed by a pupil of the school district of residence shall, at the request of the parent, be given priority for interdistrict attendance.

(c) In addition to the requirements of subdivision (e) of Section 48915.1, and regardless of whether an agreement exists or a permit is issued pursuant to this section,

any school district may admit a pupil expelled from another school district in which the pupil continues to reside.

(d) (1) Notwithstanding any other law, and regardless of whether an agreement exists or a permit is issued pursuant to this section, a school district of residence shall not prohibit the transfer of a pupil who is a child of an active duty military parent to a school district of proposed enrollment if the school district of proposed enrollment approves the application for transfer.

(2) A school district of residence shall approve an intradistrict transfer request for a victim of an act of bullying unless the requested school is at maximum capacity, in which case the school district shall accept an intradistrict transfer request for a different school in the school district. Notwithstanding any other law, and regardless of whether an agreement exists or a permit is issued pursuant to this section, if the school district of residence has only one school offering the grade level of the victim of an act of bullying and therefore there is no option for an intradistrict transfer, the victim of an act of bullying may apply for an interdistrict transfer and the school district of residence shall not prohibit the transfer if the school district of proposed enrollment approves the application for transfer.

(3) A school district of proposed enrollment that elects to accept an interdistrict transfer pursuant to this subdivision shall accept all pupils who apply to transfer under this subdivision until the school district is at maximum capacity. A school district of proposed enrollment shall ensure that pupils admitted under this subdivision are selected through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a pupil should be enrolled based on academic or athletic performance, physical condition, proficiency in English, family income, or any of the individual characteristics set forth in Section 220, including, but not limited to, race or ethnicity, gender, gender identity, gender expression, and immigration status.

(4) (A) For purposes of this subdivision, “active military duty parent” means a parent with full-time military duty status in the active uniformed service of the United States, including members of the National Guard and the State Guard on active duty orders pursuant to Chapter 1209 (commencing with Section 12301) and Chapter 1211 (commencing with Section 12401) of Part II of Subtitle E of Title 10 of the United States Code.

(B) For purposes of this subdivision, a “victim of an act of bullying” means a pupil that has been determined to have been a victim of bullying by an investigation pursuant to the complaint process described in Section 234.1 and the bullying was committed by any pupil in the school district of residence, and the parent of the pupil has filed a written complaint regarding the bullying with the school, school district personnel, or a local law enforcement agency.

(5) (A) Upon request of the parent or guardian on behalf of a pupil eligible for transfer pursuant to this subdivision, a school district of enrollment shall provide transportation assistance to a pupil who is eligible for free or reduced-price meals.

(B) A school district of enrollment may provide transportation assistance to any pupil admitted under this subdivision.

(C) It is the intent of the Legislature that the amount of transportation assistance provided to a pupil pursuant to subparagraph (A) or (B) not exceed the supplemental grant received, if any, for the pupil pursuant to subdivision (e) of Section 42238.02.

(Amended by Stats. 2020, Ch. 97, Sec. 1. (AB 2193) Effective January 1, 2021.)
