Manhattan Beach, CA, October 1, 2012

In 2008, the MBUSD Board of Trustees established the Measure BB Citizens' Bond Oversight Committee. On November 2, 2011, the Board of Trustees approved the contract for the \$54 million construction project at Mira Costa High School using the BB bonds approved by Manhattan Beach voters in 2008. This project will add new facilities and modernize most other buildings on campus, as well provide a new quad area for students. The construction project is on time and on budget.

About the Manhattan Beach Unified School District

Manhattan Beach Unified School District ranks as the third highest performing unified school district in the State of California with a 2011 Growth Academic Performance Index (API) of 932. MBUSD serves nearly 7,000 students from preschool to twelfth grade at eight school campuses—one preschool, five elementary schools, one middle school, and one high school. Mira Costa High School's API of 911 places it in the top 1.3% of public high schools in California, and it was named number fifteen in ESPN's "Fab 50" High Schools in the Unified States in 2010 for its superior athletic programs. In addition to outstanding students and excellent teachers, MBUSD is extremely fortunate to have a high level of parental involvement in the schools and very strong partnerships with the Manhattan Beach Education and Athletic Foundations, the City of Manhattan Beach, Chevron, Northrop Grumman, Continental Development, the Manhattan Beach Chamber of Commerce and other local organizations and businesses.
