

# **MANHATTAN BEACH UNIFIED SCHOOL DISTRICT**

## **MIRA COSTA ATHLETIC FACILITIES COMMITTEE SCOPE OF RESPONSIBILITIES**

**Purpose:** Expand the existing committee focus to include the gym-based and aquatics programs in addition to the fields-based sports & band already addressed and represented by the existing committee.

**Location:** Incorporate all athletic facilities and related structures, e.g., locker rooms, snack stands, weight/training rooms, team rooms, and storage. The facilities may be within a larger facility such as a gym or located separately. Specifically, add Fisher gym, the smaller gym, Waller Stadium, and the pool facilities to the planning focus of the committee.

**Scope:** Address the short and long-term needs of the gyms and aquatics facilities. Any plans for changes in the facilities would be discussed in this committee with recommendations provided to MBUSD administration. Long-term planning for capital projects would be discussed as well.

**Goals:**

1. Continue to meet and address the goals of the original committee for the field usage and long term planning of fields design at MCHS.
2. Expand the creation of a long-term vision for the Mira Costa Athletics Facilities Master Plan to include all sports and activities programs using the fields, gyms, and pool areas.

**Goals for the composition and execution of the Steering Committee:**

1. Expand the committee to include representatives from the gym and pool sports: basketball, volleyball, wrestling, drill/cheer/dance, swimming, and water polo teams.
2. The expanded committee will be ongoing in its efforts to develop specific recommendations for short term needs of the facilities and in developing a long term plan for all sports facilities at MCHS.
